Utensils for decorating and designing your soap; stainless steel knife, fork, spoon, tea spoon

Extra nitrile gloves (**not** rubber dish washing gloves) these can be found at places like Bunnings to suit your size https://www.bunnings.com.au/sabco-medium-purple-nitrile-disposable-gloves-100-pack_p0065945

Blue Plastic Bowl and Blue Chucks Cloths Recommended for Safety Water (Please refer to the safety video for more information)

Ingredients you will need to purchase

Casutic Soda (Bunnings has the brand Bondall in the paint area, this is a good quality caustic soda).

Coconut oil (cophera is available in the refrigerated section in most grocery stores, it is all Australian owned, in sustainable packaging and is kept solidified at all times).

Plain olive oil (Blended golden olive oil is best for these recipes and is available in most grocery stores) Please do **NOT** use Extra/Virgin Olive oil in these recipes as it is not formulated for Extra/Virgin Olive Oil.

Room Temperature Water (filtered water is best as tap water may have chemicals in it that can react with your soap).
